WHAT IT MEANS

INSTAGRAM

- Reach up 18% on August, the best month so far, with reels doing most of it.
- Interaction rate up to 10.6% as reels opened on the view.
- 58 new followers, the most in a month.
- Posts dipped slightly as we shifted time to reels.

FACEBOOK

- Page reach up 11% to 10,880, past the 10,000 goal a month early.
- The open house film was the most-watched video yet.
- Shares down slightly; reactions and comments up.

LINKEDIN

- Impressions up 14% with the first monthly market note.
- Engagement rate up to 4.1%, past the 4% goal.
- Tuesday is now clearly the best day.

INTO OCTOBER

INSTAGRAM DO MORE **Keep the coast reels.** Two reels a week again, each opening on the view.

INSTAGRAM IMPROVE **Lift the posts.** Carousels for sold homes, as single images slipped this month.

FACEBOOK DO MORE **Films over photos.** A short film for every new listing, as video reached twice as far as images.

LINKEDIN DO MORE **Post on Tuesdays.** Move Alex's posts to Tuesday mornings, the busiest day by some way.
